

IMPROVE POSTOFFICE BEFORE RUSH SEASON

Contractors Are Busy in Effort to Cut Cost to Bring Bid Within Amount Named by Government.

Construction has been delayed, as Congressman W. E. Howard from the local delegation, said, "The new building cannot wait for the post office to be built. It is now the second largest departmental office in the city." The new building will be completed in time for the opening of the new post office.

The local construction company, which has made bids on the work, had recommended that the new building be erected on the site of the old, which was about the same location, instead of elsewhere. The new building is to be completed in time for the opening of the new post office.

The new building will be completed before the opening of the new post office, according to Senator J. M. Cleggfield. This will be in accordance with the original plan.

It is said, "As soon as the new building is built, the new building cannot wait for the post office to be built. It is now the second largest departmental office in the city." The new building will be completed in time for the opening of the new post office.

Cold Cause Headaches and Thins

Practically all coaches and drivers have been compelled to take a long distance to get away from the city.
